

HE whom this scroll commemorates was numbered among those who, at the call of King and Country, left all that was dear to them, endured hardness, faced danger, and finally passed out of the sight of men by the path of duty and self-sacrifice, giving up their own lives that others might live in freedom. Let those who come after see to it that his name be not forgotten.

Private Rawcliffe's Medal Record Card

Medals awarded to Private 59624 Richard Rawcliffe

The 1914 – 15 Star

Established in December 1918

Also known as '*Pip*'.

This bronze medal was authorized in 1918. It is very similar to the 1914 Star but it was issued to a much wider range of recipients. Broadly speaking it was awarded to all who served in any theatre of war against Germany between 5th August 1914 and 31st December 1915, except those eligible for the 1914 Star. Similarly, those who received the Africa General Service Medal or the Sudan 1910 Medal were not eligible for the award.

Like the 1914 Star, the 1914-15 Star was not awarded alone. The recipient had to have received the British War Medal and the Victory Medal. The reverse is plain with the recipient's service number, rank, name and unit impressed on it.

An estimated 2.4 million of these medals were issued.

The British War Medal 1914 - 1918

Established on 26th July 1919.

Also known as '*Squeak*'.

The silver or bronze medal was awarded to officers and men of the British and Imperial Forces who either entered a theatre of war or entered service overseas between 5th August 1914 and 11th November 1918 inclusive. This was later extended to services in Russia, Siberia and some other areas in 1919 and 1920.

Approximately 6.5 million British War Medals were issued.

Approximately 6.4 million of these were the silver versions of this medal. Around 110,000 of a bronze version were issued mainly to Chinese, Maltese and Indian Labour Corps. The front (obv or obverse) of the medal depicts the head of George V.

The recipient's service number, rank, name and unit was impressed on the rim.

The Allied Victory Medal

Also known as '*Wilfred*'

It was decided that each of the allies should each issue their own bronze victory medal with a similar design, similar equivalent wording and identical ribbon.

The British medal was designed by W. McMillan. The front depicts a winged classical figure representing victory.

Approximately 5.7 million victory medals were issued. Interestingly, eligibility for this medal was more restrictive and not everyone who received the British War Medal ('Squeak') also received the Victory Medal ('Wilfred'). However, in general, all recipients of 'Wilfred' also received 'Squeak' and all recipients of 'Pip' also received both 'Squeak' and 'Wilfred'.

The recipient's service number, rank, name and unit was impressed on the rim.
